## Before Using the Product

Please read this document before use. Keep this for future reference and make sure that end users will read this.

### ■ Relevant manuals

Before using the product, please read the following manual.

□□CW Workbench Operating Manual [SH-080982ENG] (13JU71)

The manual is stored in the "Manual" folder on the included DVD in a PDF file format. A manual in printed form is sold separately for single purchase.

Order a manual by quoting [the manual number] (model code) described above.

### ■ License acquisition

To use this product, applying the permanent license acquisition with "Permanent License Application Form (PermanentLicenseApplicationForm.xls)" stored on the DVD is required.

For the updated license product, if the CPUs to be used after update are not written in "Target CPU" of Permanent License Application Form, please consult your local Mitsubishi representative.

For the application procedure, refer to CW Workbench Operating Manual.
