

Before Using the Product

Before using the product, please read this document. Make sure that the end users read this document and then keep the manual in a safe place for future reference.

■ Relevant manuals

Before using the product, please read the following manual.

- CW Workbench/CW-Sim Operating Manual SH-081373ENG

The manual is stored in the "Manual" folder on the included DVD-ROM.

■ License acquisition

To use this product, the permanent license acquisition with "Permanent License Application Form (PermanentLicenseApplicationForm.xls)" stored on the DVD-ROM is required.

For the updated license product, if the CPUs to be used after update are not written in "Target CPU" of Permanent License Application Form, please consult your local Mitsubishi representative.

For the application procedure, refer to CW Workbench/CW-Sim Operating Manual.

*1 To install CW Workbench, the DVD-ROM supplied with the product with license is required.

■ When using CW-Sim

The installer of CW-Sim is included in the DVD-ROM. CW-Sim can be installed, however, SW1DND-CWSIMR-EZ (additional license) is required to be purchased in addition to this product.

CW-Sim cannot be used without this additional license.

■ Information and services

For further information and services, please consult your local Mitsubishi representative.
