**Instructions and Cautions for Safe Use of AC Servos**

**1. Safety Notes**

- **WARNING:** Only qualified personnel are instructed to install, set up, repair or service the machine in which these servo drivers are installed. Only licensed electricians should install and operate the equipment. (Page 1 of 4)

- **NOTICE:** The information in this instruction manual is subject to change without notice. (Page 2 of 4)

- **CAUTION:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the manufacturer's instructions, may cause interference to radio communications. (Page 3 of 4)

**2. Instructions for Safe Use**

- **NOTE:** Servo drivers are intended for use at a maximum of 1000 m above sea level. (Page 4 of 4)
